# GRAPHIC SPECIFICATIONS

Files must be submitted with a 0.25" bleed. All type/text must be 0.5" from the trim line. All fonts must be converted to outlines. All vector files (logos, patterns, etc.) must be submitted as .ai, .pdf or .eps only. Raster images (photos / photography / portraits) must be submitted as .jpg or .tif and at a min. resolution of 300dpi. Files must be sent to your sales person 5 business days prior to your event set-up date. Late file submissions will be subject to additional rush fees. If your files do not meet our requirements, an additional set-up fee may be required at an hourly rate of $75/hr.
